# Where the Charitable Sector Comes Together

Independent Sector's National Summit is a national gathering addressing the most pressing challenges facing nonprofit, philanthropic, and corporate giving professionals.

## Four Strategic Focus Areas:

### Thriving Workforce:

Equitable strategies that reinforce a strong workforce and advance mission impact.

### Financially Robust:

Tools and approaches that build long term financial resilience and sustainability.

### Trusted & Well-Governed:

Accountable and authentic leadership that deepens community trust and credibility.

### Active Advocates:

Collective advocacy efforts that unify voices and advance policies for the public good.

Programming includes plenaries, workshops, networking receptions, and leadership sessions — all prime opportunities for meaningful connections.
